

ADAPT

CUSTODY

**REST OF
YOUR LIFE**

**Know someone
who's looking for their
second chance?**

LOTTERY FUNDED

The ADAPT project works with young people aged 15 to 25 who have been in a Young Offenders Institution. It provides them with intensive mentoring, support and advocacy and helps them to gain EET opportunities in Salford, Trafford and Manchester.

The project is supported by key statutory, public and private sector partners and represents a great opportunity for young people to break out of the cycle of offending behaviour and to ADAPT to a positive future beyond custody.

The logo for ADAPT, featuring the word 'ADAPT' in a bold, white, sans-serif font. The letters are set against a dark, textured background that looks like a splatter or a piece of paper with a rough edge. The background is dark blue/black with some lighter, white splatters around the text.
